Frogames announces *TITUS* for iPhone, iPad and iPod Touch.
"Politics is not a game"... not anymore with *TITUS*, a new game by Frogames!

Reims, FRANCE - June, 14th 2011 - Today Frogames, an independent video games developer, announces the release of *TITUS*, its new game about politics based on 3D mini-games for iPhone, iPad and iPod Touch and soon for Windows and Mac OS X.

Have you ever wondered what it would be like to be a politician? Play the role of *TITUS*, an agoraphobic watchmaker who decides to achieve his dream of becoming the president of Wealland.

TITUS by Frogames is a dark and cynical political campaign simulator, full of low blows, corruption and 3D mini-games for the iPhone, iPad and iPod Touch.

TITUS is available on the Apple App Store (<http://itunes.apple.com/us/app/titus/id440513050?mt=8>) for an introductory price of \$1,99 until June, 30th. It will be soon available for Windows and Mac OS X.

Discover the dedicated web page <http://www.frogames.com/titus/> and the trailer <http://www.youtube.com/watch?v=0NdZXzEYdeg>.

Key features:

- 5 mini 3D arcade games.
- a Campaign mode where you will have to conquer your fears and face Desmond the mime to become President of Wealland.
- a simple Election mode.
- a direct access to the mini-games to practice and beat your own records.
- more than 30 achievements.
- an encyclopedia that provides game tips, descriptions of the characters you already met, and a map of Wealland.
- a somber universe featuring a uniquely gloomy atmosphere, with troubled characters, and eerie music.
